## **Renowned Aesthetician and Cosmetologist Now Offering Permanent Makeup Services at Metamorphosis.**

Metamorphosis, the aesthetic division of The Women's Center, is now offering permanent makeup services from Deanna Ronsani, F.A.A.M., and staff. Ronsani is highly recognized in the field of permanent makeup artistry and instruction, and she is excited to bring her services to the clients of Metamorphosis.

"We are thrilled to have Deanna's talents in our medical spa," says Metamorphosis Manager, Colleen Fitch, M.S.N., A.R.N.P. "The new services that Deanna brings to Metamorphosis are reflective of our position as one of Orlando's most sought-after and respected medical spas."

According to Ronsani, permanent makeup is a delicate balance of technical skill and artistry, offering women and men a significant lifestyle change. "When the procedures are complete, my clients can't believe how much easier their lives are," says Ronsani. "They wake up in the morning, and their routines are already 75 percent complete... They're out the door and on their way in no time."

Ronsani is a Fellow of the Academy of Micropigmentation and a member of the Society of Plastic Surgical Skin Care Specialists. For a free consultation with Ronsani, contact the Metamorphosis staff today.
